

## Leavenworth Drill Teams stomp the competition!

On Saturday Jan. 23<sup>rd</sup> the Leavenworth Girls and Boys JROTC drill teams competed at the 2010 Northeast HS Drill Meet in Kansas City, MO. Both teams competed against fourteen different high schools in color guard, exhibition and regulation drill. During the final individual drill down competition six of our cadets represented the Pioneer corps of cadets in the IDD finals. Those cadets were Sarah Filiaggi, Cody Wainer, Brandy Why, Noah Jacob, Curt Meyerowich, and Kiara Gillion. After a long hard day of drill the Yellow Ribbons and Legs of Cavalry both placed first in exhibition drill and the Girls took first place overall for their unarmed division. Cadet Brandy Why made us all proud with taking second place in the Individual Drill down finals. The teams will be traveling to Lee Summit High School on Feb. 6<sup>th</sup> for their next drill meet competition. Come on out and support your teams.
