

Having Trouble logging in to Power School?

Troubleshooting Tips

1. Make sure you type the User ID and Password exactly as shown on the letter you received. The **Password is case sensitive.** The User ID is not.
2. If the User ID shows a space between characters make sure you include the space.

Frequently Asked Questions

Question: My Parent ID has 4 letters and a comma and my login does not work?

Answer: If your Parent ID has 4 letters and a comma add a space to the end by hitting the space bar on your keyboard.
